Concerts at Christ Church 2011-12

Christ Church is delighted to continue a tradition of presenting concerts of fine music to the New Brunswick community. This year, in particular, we celebrate the tenth anniversary of the installation of our splendid Richards-Fowkes organ, with organ recitals, and our annual Spring Choral concert for organ, choir, and instruments. For the first time, we will also feature visual as well as musical art, in an exhibit of works of original art by parishioners and art works owned by the parish, with a program of musical responses to these works. We are also thrilled to co-sponsor two events with Christ Church's Black Heritage Committee: a festive dinner-dance with jazz provided by our own Benny Barksdale and his combo, and an exciting program of Bach plus African-American Spirituals in February. And in December, we return to the State Theatre for our annual performance of the Christmas portion of Handel's *Messiah*, joined by Coro Lirica and the New Brunswick Chamber Orchestra.

In light of the current state of the economy, we have reduced our usual ticket prices to make these concerts more affordable for all. We are offering three season ticket packages, each with a discount, as well as single tickets and reduced price tickets for seniors, children, and students. We are also offering opportunities for those who wish to support Christ Church's music program beyond the ticket price. We look forward to seeing you at these exciting concert events!
